CALL TO ORDER
K. LaTour opened the February 2008 Student Learning Committee meeting at 3:10 pm in C-2005. Attendance was taken.

MINUTES

The minutes were approved unanimously.

I. OLD BUSINESS

a. There will be another round of “student learning roundtables” next month. Kristin will try changing the time and see if that helps attendance.
b. Several committee members and others will be attending the HLC Annual Meeting on April 13-15.
c. Kristin sent around a sign up-sheet for shirts and explained that she’ll be ordering promo materials to distribute to faculty next fall.
d. There was little discussion about plan approval since attendance was low. We will try next month for a fuller discussion.

NEW BUSINESS

a. Those who attended the Assessment Fair, Sandy, Ryan and Kristin, reported that the sessions were interesting, but the keynote was not very helpful. Kristin’s presentation on our changes with assessment went over well.
b. Kristin will be meeting with staff at Waubonsee to get materials for next year’s assessment fair. She’ll also be contacting areas on campus to reserve spaces for the fair.

We adjourned at 3:37.
