

PROPOSED GRANT INITIATIVE FORM

Project Title:

Project Director:

Funding Source:

Due Date:

Amount Requested:

Please fill in the below information with information about the program that you will use to apply for this grant.

Overall Goal of Proposal

- **Objectives**
List specific accomplishments expected

- **Activities**
List specific actions to reach each objective

- **Outcomes**
List what will change as a result of the activities

Strategic Goals

1. Increase student success and completion.
2. Develop programs that anticipate and respond to labor market demand including the growing number of fields that require an understanding of sustainability.
3. Increase and strengthen resource development and utilization.
4. Address the needs of the growing minority, underrepresented, and underprepared student populations.
5. Expand the use of technology and sustainable methods.

Additional questions to answer:

1. List which strategic goal is supported by this project and explain how the project enhances that goal.
2. How will this program be sustained after the grant funding ends?
3. Please list any college resources need for this grant such as space, personnel, or matching funds.
