

Q07004

To Whom It May Concern:

Enclosed is a Request for Quotation for the Joliet Junior College Student Activity area. Joliet Junior College is a comprehensive community college. The College has a combined total of 12,000 credit and 20,000 non-credit students attending classes on its main campus, located within the city of Joliet, and its two extension campuses, located in Romeoville and downtown Joliet.

In an effort to provide services to our students while they are on campus and between classes, we would like to provide them with various arcade activities. We are requesting the following items to be provided at no cost to the college. The games we prefer to have on campus are six (6) electronic arcade games, one (1) coin-op pool table, and one (1) foos ball table. The successful vendor must also take the responsibility for maintaining and emptying the machines on a monthly basis. Leveling of the tables could be completed at that time as well. A maintenance schedule will be created after the award with our Student Activity area attendant.

Delivery and pickup must also be included with your proposal. The agreement would be as follows: 50/50 split of profit from games. No purchase is being made by Joliet Junior College. The term of the contract will be for one year with an annual option to renew.

A tentative delivery date is scheduled for July 1, 2007.

Questions should be directed to the attention of Judy Mitchell. You may email jmitchel@jjc.edu or fax to (815) 280-6630.

Please submit your completed proposal no later than 2:00 p.m. on April 26, 2007 to the following:

Joliet Junior College
