Attn: Judy Mitchell, Director of Business and Auxiliary Services

FORWARD  
PROPOSAL TO

FIRM NAME:  
\_\_\_\_\_  
\_\_\_\_\_

\_\_\_\_\_, the undersigned.

A. Proposes to furnish all labor, materials, equipment, and services as required to satisfactorily complete all Structural & Miscellaneous Steel Work herein described as Bid Package No. 05C as required for the construction and completion of the Automotive Building Expansion Project in accordance with the Drawings and Specifications as prepared by Wight & Company (Architect) and their Consultants, the Contract Documents, Project Manual Volumes 1, 2, 3 dated June 9, 2010, this Bid Form, and all documents incorporated by reference. It is expressly understood by the Bidder that each of the enumerated documents as set forth in this paragraph are incorporated by reference as part of the Bid Proposal.

B. All work required by the foregoing documents will be accomplished for the Lump Sum Bid Price of \_\_\_\_\_

\_\_\_\_\_ (\$ \_\_\_\_\_ )  
(Show amount in both words and figures, in case of discrepancy amount shown in words will govern)

The Lump Sum Bid Price above EXCLUDES all applicable sales, consumer, use and other similar taxes for the project on the equipment and materials to be incorporated into the work (project is tax-exempt); INCLUDES all insurance premiums required to meet Schedule "A" - Insurance Specifications; and INCLUDES all premiums for Performance and Labor & Material Payment Bonds in the sum of one hundred ten percent of the Contract price.

- C. Bidder agrees that upon award of the contract by Joliet Junior College if written notice of the acceptance of this bid is mailed or delivered to the undersigned within sixty (60) days after the Proposal Due Date, or any time thereafter before it is withdrawn, the undersigned shall meet with representatives of Joliet Junior College and Gilbane Building Company at Joliet Junior College's office or at a mutually agreed upon location to execute the contract which is included as an Exhibit within this Project Manual. The Trade Contractor's contract will be held by and made with Joliet Junior College; Gilbane Building Company will be acting on the behalf of Joliet Junior College as their Construction Manager (agent). A Performance Bond and Labor & Material Payment Bond will be delivered to the Construction Manager at the time of execution of the Contract on the form contained within the Project Manual identifying Joliet Junior College and Gilbane Building Company as dual obligees. Failure to execute said contract within ten (10) days after receipt of written Notice to Proceed may be considered a default under the obligation of the bid bond. Insurance certificates shall be provided before starting on-site activities if such activities occur before the Contract is signed.

By submitting its bid, the Bidder hereby agrees that the Owner may, in its sole discretion, decide which combination of base bid plus alternates, (if any) would provide the Owner with the most efficient expenditure of the Owner's funds with respect to any particular Bidder. Owner's selection and determination of which combinations of base bid plus alternates (if any) would provide the most efficient expenditure of the Owner's funds shall form the basis of awarding the contract. By submitting its bid, Bidder further agrees that the sum total of the base bid plus alternates (if any) as so determined by the Owner separately for each Bidder shall be deemed to be such Bidder's bid for purposes of determining the lowest responsible Bidder for such portion of the work or for such bid package. Such determination by the Owner shall not be subject to challenge by the Bidder.

- D. The above price includes all stipulations and requirements of Supplement Numbers: \_\_\_\_\_, which have been received and accepted by the undersigned.

E. MILESTONE SCHEDULE DATES

All work is to be completed in accordance with the attached Construction Schedule included in the Project Manual and the Milestone Dates listed below:

| <u>Milestone</u>                       | <u>Milestone Dates</u>              |
|--|-------------------------------------|
| Bid Proposals Due                      | July 15, 2010                       |
| Anticipated Dates for Bid Scope Review | July 19, 2010-July 20, 2010         |
| Anticipated Date of Contract Award     | August 10, 2010                     |
| Preconstruction Meeting                | August 24, 2010                     |
| Shop Drawing & Review                  | August 24, 2010-September 24, 2010  |
| Anticipated Mobilization Date          | September 13, 2010                  |
| Site Work/Ftgs/Fndtns - Phase 1        | September 15, 2010-October 26, 2010 |
| Structural Steel Phase 1- Single Story | October 27, 2010- November 2, 2010  |
| Erect Precast Phase 1                  | November 3, 2010- November 9, 2010  |
| Structural Steel Phase 1- Joists       | November 10, 2010-November 12, 2010 |

**BP 05C Structural & Miscellaneous Steel Work**

The Drawings, Specifications and other Contract Documents shall be considered appropriately modified by either the acceptance or rejection of the various Alternates. The Owner and the Construction Manager expressly reserve the right to accept or reject any, or all, Alternate Prices, and in any sequence. If any combination of alternates is accepted, the classrooms identified must be completed within the time periods provided.

Alternates:

N/A

J. COST ALLOWANCES

The Bidder includes the following Cost Allowances in the total Lump Sum Amount of the Base Bid for this Bid Package. See General Conditions for definition of Allowances.

**The Trade Contractor must include the cost of the allowances in the Base Bid. The Base Bid cost of this package should include the appropriate mark-up on the allowances. All work completed under the allowance will be paid at cost since the mark-up is incorporated in the base bid. Trade Contractors are not entitled to any unspent balance.**

Cost Allowances:

|   |   |                                 |
|---|---|---------------------------------|
| 1 | Miscellaneous Work Allowance:<br>Miscellaneous work to be completed at the direction of the Construction Manager.   | \$10,000                        |
| 2 | Notwithstanding the Trade Contractor's obligation for his own cleanup under the general conditions, include in the base bid a sum of \$75.00 for every 80 man-hours (or fraction thereof) actually expended on-site regardless of trade or labor classification. This cost will be used for cleanup of unidentifiable trash and debris as directed by the Construction Manager, and will be deducted from the Contract Sum periodically to pay for cleanup services. Trade Contractors are not entitled to any unspent balance. Costs for this scope of work item are over and above costs for cleanup required by the general conditions. This requirement does not eliminate this Trade Contractors responsibility for the daily clean up of his/her work efforts. The formula for this fee is as follows:<br><br>$\frac{\text{Total Man hours}}{80} \times \$75.00 = \$ \text{ CLEANUP FEE}$<br>Bidder to fill in: _____ man-hours | \$ _____<br>(Bidder to Fill In) |

K. COST AND QUANTITY BREAKDOWN

In order to properly evaluate the Proposal, provide the following information. The Scope of Work to be awarded will not be influenced by the cost and quantity information requested here. Do NOT include the cost of any alternates in base bid or in the following information. Cost and quantity breakdown shall include all related work to the subject category.

1. Cost Breakdown

|  |                  |
|--|------------------|

| Miscellaneous Not Included Above: (Define)       |          | \$            | \$                | \$         |
|  |          | \$            | \$                | \$         |
|  |          |               | <b>TOTAL</b>      | <b>\$</b>  |

L. SCOPE OF WORK

1. Description of Work Included:

Except for those items (if any) specifically noted in the section below entitled "Work Excluded From This Bid Package", the work of this Bid Package shall INCLUDE, but is not necessarily limited to, all of the following:

- a. All items of work required by, and/or specified in, those sections of the Specifications which are listed herein under Section M SPECIFICATIONS – Specific Sections.
- b. All items of work related to the "Scope of Work", which are indicated in the Specifications which are listed herein under Section M SPECIFICATIONS – Related Sections.
- c. All items of work related to the "Scope of Work", which are shown on the Drawings listed herein under Section N CONTRACT DRAWINGS.
- d. The following "Specific Items to be Included" are related to those required by the above referenced documents and are to be provided under, and hereby form a part of, the Scope of Work of this Bid Package (Contract). Should any conflict exist between this written Scope of Work and any scope items implied by the above referenced documents, this Scope of Work shall govern.

SPECIFIC ITEMS TO BE INCLUDED

Perform complete "Structural & Miscellaneous Steel Work" and related work as required by and in accordance with the Conditions of Contract, Drawings, Specifications, and elaborations below. The Work shall include all labor, materials, equipment, and related items necessary to complete all of the work defined in the following specification sections, except for those noted exclusions or clarifications listed below.

In general, the following clarifies the scope of work to be included. It is intended for clarification and convenience only and is not intended to limit any portion of the scope of this bid package.

1. Furnish and install all structural steel, metal roof decking, bar joists, and ancillary work, including but not limited to the following:
  - Moment connections
  - All roof opening frames
  - All framing at the canopy
  - All steel framing/support for the precast screen wall, including cap plate.
  - All miscellaneous steel brackets, "C" channel, kickers, and angles required to be in place for all concrete pours and the installation of the roofing system.
2. Furnish and install all miscellaneous metal including but not limited to the following:
  - All interior Stairs/handrails/guardrails with concrete filled pan and solid risers (concrete by others)
  - Shipmans ladder
  - Interior mesh fencing
  - Unistrut support brackets.

**BP 05C Structural & Miscellaneous Steel Work**

- Bearing and leveling plates
3. Furnish all anchor bolts and setting plates to be installed by others.
  4. Furnish pipe bollards to be installed by others.
  5. All steel work attaching to existing work shall be completed by this Trade Contractor.
  6. The removal and re-installation of any guard rails, posts, or other miscellaneous steel items required to complete the mezzanine work shall be by this Trade Contractor.
  7. Any combustion welders to be located in a confined space and/or location within the building during construction shall be equipped to pipe the exhaust outside the building as may be required by OSHA.
  8. Furnish for installation by others sleeves and other embedded metal items to be installed in masonry and concrete. Coordinate dimensions, locations and delivery with the associated trade contractor to ensure proper installation.
  9. Provide field touch up of shop coat finish primer on all structural steel, joist and miscellaneous metals immediately following erection.
  10. Provide all shoring, bracing, hoisting, and/or rigging required to complete the work.
  11. All debris and excess materials by this Trade Contractor shall be removed from the project site daily. Stockpiling of debris on the site will not be permitted.
  12. This Trade Contractor shall provide a detailed erection plan, erection plan shall be coordinated with that of the BP-03B Precast Trade Contractor.
  13. Do to the phased nature of the Structural Steel installation, separate mobilizations will be required. Mobilizations are incidental to the Contract Sum

**GENERAL PROVISIONS**

1. The word Trade Contractor and the word Subcontractor are used interchangeably in the documents. Therefore where the words Trade Contractor or Subcontractor are used in the document, it shall mean a Contractor having a contract with the Owner unless it is apparent by the content of the usage that the Subcontractor reference is assumed to be a Subcontractor to a Contractor having a contract with the Owner.
2. This trade contractor shall protect all adjacent areas of work. Remove protection after completion of work of this bid package and repair all damaged areas as necessary and required.
3. This Trade Contractor shall make arrangements with the Construction Manager for any storage provisions prior to mobilization. Outside storage must be coordinated with Gilbane. All areas disturbed by the action of the Trade Contractor shall be returned to their original condition at no additional expense to the owner.
4. Before Substantial Completion of the contract, each Trade Contractor shall provide a Record Document indicating the as-built conditions including concealed locations and elevations. Record Documents shall incorporate all requirements as indicated in the Specifications and elsewhere in the bid documents. Upon approval of Record Document, the Trade Contractor shall provide electronic files of all documents as well as two hard copies. Electronic record files shall be in PDF format.

**BP 05C Structural & Miscellaneous Steel Work**

5. Should the Plans or Specifications disagree in themselves or with each other, the Trade Contractor shall provide the better quality or greater quantity of work and/or materials unless otherwise directed by written addendum to the contract.
6. Each Trade Contractor shall field verify all existing conditions as required prior to commencing of work and shall make whatever modifications necessary to facilitate the installation of new work. Trade Contractor shall immediately notify the construction manager in writing of his findings, especially upon finding unsatisfactory conditions that may affect his work and the quality of the work of others.
7. Where the General Requirements or the Technical Specifications indicate that the Trade Contractor will be "directed by" or "as indicated or designated by" the Architect all such directions, indications and/or designations etc., shall be through the Construction Manager. All work performed by a Trade Contractor as directed by or as indicated or designated by the Owner, its consultants or the Architect which has not been communicated to the Trade Contractor through the Construction Manager shall not be an added cost to the Trade Contractor's contract with Gilbane and may be subject to rework at the expense of the offending Trade Contractor or Trade Contractors.
8. The Trade Contractor's Project Manager shall be responsible to maintain an accurate record of deviation and changes in the work and reasons there of. The Construction Manager and Architect may elect to review the status of these documents on a monthly basis. Failure on the part of the Trade Contractor to maintain the As-Built Documents will be cause to reject the Trade Contractor's monthly payment request in part or in total until the condition is corrected and the record documents are updated to reflect site conditions.
9. Trade Contractor shall immediately notify the Construction Manager in writing of his findings, especially upon finding unsatisfactory conditions that may affect his work and the quality of the work of others.
10. The campus is an extremely busy site. Traffic patterns can be very congested at times and parking lots can fill up quickly. Extreme caution should be used at all times when entering and exiting the site.
11. Each Trade Contractor shall coordinate their work with the works of other trades and with the Construction Manager.
12. The Owner has employed a testing agency for this project. This Trade Contractor shall conform to all testing requirements as identified within the Contract Documents. The Trade Contractor shall provide 48 hour notice to the Construction Manager prior to date testing agency needs to be on site to perform tests.
13. In addition to the requirements for safety defined in the Conditions of Contract and the Construction Manager's Safety Plan, the Trade Contractor shall submit within two weeks of Notice to Proceed a detailed safety plan defining it's intentions and procedures to be used on the project to comply with all requirements of OSHA and Project Safety Program, including work rules, fall protection, hoisting procedures, protection of other trades and finished materials, etc.
14. This Trade Contractor must include all costs necessary to address the requirements of the Safety and Project Quality Plan included in the Project Manual.
15. This Trade Contractor is required to fill out a Gilbane daily report and turn in to Gilbane on a daily basis.
16. This Trade Contractor shall be responsible for their cleanup and debris removal. Dumpsters for the general use of all trades shall be provided by the General Trades Contractor.
17. This project shall pursue a LEED certification with the United States Green Buildings Council (USGBC); see specifications for requirements and responsibilities of subcontractors

**BP 05C Structural & Miscellaneous Steel Work**

- 18. Each Trade Contractor shall submit a CPM schedule utilizing Primavera Project Planner or SureTrack software within 30 days after notice to proceed. This schedule shall include all construction activities of the Trade Contractor and shall abide by all the requirements indicated in the bid documents pertaining to Critical Path Method Scheduling. Monthly updates of the schedule are required to be submitted along with the monthly Application for Payment
- 19. The Trade Contractor shall be required to enter the RFI's and Submittals in iBuild. The Project Manager or Superintendent will be required to attend a one (1) hour Computer training by Gilbane which will teach them how to use this program. iBuild requires Internet Explorer 7 or 8.

The above listed items are not intended to be an all-inclusive listing of the specified Contract Scope of Work, but are merely to highlight the major items of work.

**SPECIFIC ITEMS TO BE EXCLUDED**

The following specific item(s) of work contained in the above referenced documents are EXCLUDED from the work of this Bid Package (Contract):

N/A

**M. SPECIFICATIONS**

The following Specifications, together with the Drawings and other related items of work as described herein, further define the Scope of Work of the Bid Package (Contract).
