TO: Prospective Bidders

SUBJECT: Addendum No. 2

PROJECT NAME: KEYSKAN – Door Access Control System

JJC PROJECT NO.: B11003

This Addendum forms a part of the Bidding and Contract Documents and modifies the original bidding document as posted on the JJC website. Acknowledge receipt of this addendum in the space provided on the Bid Form. FAILURE TO DO SO MAY SUBJECT BIDDER TO DISQUALIFICATION.

For clarification, the documents refer to “data cable” installed by others in the Health Professions, Campus Center, Automotive and Natural Science buildings. This cable will be the same or equal to the Windy City Wire as referred to in this project bid documents for the Facility Services, Weitendorf and Romeoville locations. It should not be confused that the “data cable” implies a cat. 6 cable.
