Joliet Junior College
Request for Proposal
PC & LAPTOP PURCHASE PROGRAM

ADDENDUM NO. 1

DATE: FEBRUARY 16, 2011

Response to questions pertaining to the Joliet Junior College PC and LAPTOP PURCHASE PROGRAM proposal received by the deadline of February 15, 2011 are listed below:

1. ***4.4 Joliet Junior College may choose to terminate this RFP at any time for any reason. Is there a contract term? Would Joliet Junior College also be able to terminate the contract at any time for any reason as well? Yes, please refer to page 2 of bid document 2.4 which states: Institute a computer replacement plan, which provides for the replacement of all PCs over a 4 year period. Terms and conditions of the contract will be reviewed with the awarded vendor.***
2. ***4.5 Joliet Junior College makes no guarantees as to the actual number of PCs purchased, nor will Joliet Junior College accept any penalties from the OEM regarding the number of PCs purchased. Does Joliet Junior College have an estimate of the yearly amount? Over the next 3-4 years we are projecting:
Laptops: 200
Tablets: 100
Desktops: 2200 (estimate 500 – 800 annually)***
3. ***8.2 The OEM must be willing to provide new PC & laptop models to Joliet Junior College for testing and evaluation. These machines must be available for testing at no charge to Joliet Junior College. When the evaluation is completed, the evaluation machine(s) will be returned to the OEM. How many evaluation units will Joliet Junior College need for the vendor to provide? We would require:
1 laptop with docking station
1 tablet with docking station
1 desktop (if multiple form factors provide 1 of each to evaluate)
If available, the college is interested in evaluating an All-in-one unit that meets the specifications of the desktop***

Please acknowledge receipt of this addendum by emailing to jmitchel@jjc.edu
Include your name, title and company name in your acknowledgement email. Failure to do so could result in disqualification of your proposal.
