36 actors auditioned for 9 principle roles and 4 nice cameo roles. Rehearsals will begin the week of January 9. Dave and I will email you rehearsal schedules in the not-too-distance future. Actors in principle roles can expect to rehearse 4-5 days a week, with general rehearsals MWF and music rehearsals TR. Actors in cameo roles will rehearse less frequently until the week of February 20; at that time. ALL actors will be called for rehearsal every day. For those of you who have not worked with us before, the Saturday before we open (February 25) is our Tech rehearsal; this will begin around 10 a.m. and will last until we are done. (Count on an all day commitment.)

Dave and I are both excited about working with each of you. There were some tough casting choices, but we believe we ended up with an outstanding cast. **Please respond to this email, indicating that you accept or decline the role offered.** I would greatly appreciate a timely response.

Enjoy the holidays, and I will see you in January!
