There were too many ways I could have gone with this. I am deeply grateful by the passion you spent in auditioning for this show. This was not easy, nor should I expect it to be with the level of players involved. I hope you all feel truly proud of what you did in these auditions. If you were not cast this time PLEASE audition for the One Act showcase on March 5th. There are multiple directors who need actor for their shows and JJC needs your talent.
