

Math Redesign Project

Starting 2011 Spring Semester
For ALL Math 090, 094, and 098 classes
At the Romeoville Campus

What makes these courses different?

✓ Saves you money

- One software cost
- Save money on textbook cost

✓ Saves you time

- Ability to enroll in transferable math courses sooner

How are the courses structured?

✓ Individualized instruction

✓ Computer-based learning

✓ Instructor roles –

coach, mentor, and tutor

✓ In-class study groups

✓ Instructor-led groups for difficult topics

✓ Flexibility to finish courses early

✓ All missed classes must be made up.

Master the Math and Move On!
