# Career Day 2009

## Horticulture Career Day 2009

**The Agricultural and Horticultural Sciences Department invites you to attend Career Day!**

This is a great opportunity to obtain more information on Horticulture programs offered at Joliet Junior College. Attend informational sessions on these programs and view student demonstrations in: floral design, tree climbing, landscape graphics, and many more! Tour the new Weitendorf Agriculture Education Center. Talk to instructors and current students about the program during the lite lunch reception at the conclusion of the morning.

**Dates:** Wednesday November 4th and Saturday November 7th

**Registration:** 9:00 a.m. to 9:30 a.m.  
 at the Weitendorf Agriculture Education Center (map enclosed)

**Schedule of events:** 9:45 to 10 a.m. Welcome and Introductions  
 10:00 to 10:40 a.m. Horticulture info sessions  
 10:45 to noon, tours and student demonstrations  
 12: 00 Lunch at main campus

*Fill out the form below and mail back in envelope provided.*

**RSVP**
