The Technical Department welcomes back Leann Julian as part-time secretary. Leann previously worked in the Technical Department from 1997 until 2003. After a brief 6-month hiatus to spend more time with her family, she came back to JJC in late 2003 and has always wanted to come back to the Technical Department. Leann resides in Channahon and has been married for 36 years. She has three grown sons and two grandchildren ages 3 and 9 months. Leann enjoys reading and taking walks with her Maltese and Yorkie Maltese. We are very happy to have her in our department. Please stop by T-1070 and welcome her back!
