## ORTHOTICS PROSTHETICS TECHNOLOGY PROGRAM RECEIVES ACCREDITATION

**Mike Brncick, OPT Program Coordinator/Advisor, is happy to report that the OPT Program has received official notification of accreditation from the National Commission on Orthotic and Prosthetic Education. JJC's OPT**

**program is now one of six programs in the nation providing education in orthotics and prosthetics at the technical level. Mr. Brncick sends his thanks for all of the support throughout the development of the program. Congratulations to the Orthotics Prosthetics Technology Program.**

*I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character. — Martin Luther King Jr., I Have a Dream, 1963*

# JJC HOSTS 26 HIGH SCHOOL ROBOTIC TEAMS

## Question:

What paraffin covered paper was patented by Marvin Stone on January 3, 1888? Good Luck!

The answer will appear in next month's newsletter.

More than 100 area high school students will be on our Main Campus to participate in the Joliet Junior College Technical Department Robotic Engineering Challenge on Friday, January 27, 2012 from 9:00 a.m.—3:00 p.m. in the "T" Building. We will have 17 Novice Teams and 9 Expert Teams including

the following schools: Foundation at Lake of the Woods Home School, Glenbard East High School, Grundy Area Vocational Center (GAVC), Joliet Central High

School, Joliet West High School, Lemont High School, Minooka High School, Ottawa High School, and Rich East High School. Each high school student will receive a participation medal, each of the 1-3 place winners in the Novice and Expert Competition will receive a winning individual medal and a trophy for their school display case. In addition, a special thanks again this year to Julie Welch and Russell Burris at American Technical Publishers, Inc. ([www.go2atp.com](http://www.go2atp.com)) for providing each winning team with technical books.
