

Joliet Junior College

Veterinary Medical Technology Program

Veterinary Recommendation Form

In order for an applicant to be eligible for acceptance into Joliet Junior College Veterinary Medical Technology Program they must show a minimum of 100 hours work experience. These 100 hours must be completed under the supervision of a veterinarian. The veterinarian who completes this form is verifying that the applicant has worked for 100 hours under their supervision.

The Applicant's: **(Please print)**

The Veterinarian's: **(Please print)**

Name: _____

Name: _____

Address: _____

Address: _____

Telephone: _____

Telephone: _____

❖ The required 100 hours of veterinary work experience were completed by the above applicant under the supervision of the above veterinarian.

___Yes or ___No

❖ Please list the range of dates and approximate work schedule during which the 100 hours were completed. An example would be 1-1-02 through 3-14-02, scheduled Mondays 1:00-6:00pm and Saturdays 8:00am to 1:00pm.

❖ Please provide a description of job duties that this applicant performed during their 100 supervised hours.

❖ Briefly comment in writing why you would or would not recommend this applicant for acceptance into the Veterinary Medical Technology Program.

I verify that this applicant has worked under my supervision for at least 100 hours. I would assist a Joliet Junior College representative if further verification were requested.
