

Career Seekers

Membership Agreement

I wish to participate as a member of Career Seekers. I am looking for employment and I understand that in the Career Seeker program I will expect to be employed in the next 60 days. I have received an orientation and agree to these conditions of membership.

Please initial on the line at each item to show that you understand that item and agree to its terms.

- I will work with my Career Seekers advisor to develop my individual membership plan, I will attend leadership classes at least twice per month and I will participate in sessions and activities as scheduled. _____
- I will keep appointments made for individual guidance and counseling, mentoring, and other activities as required. _____
- I agree to abide by the Career Seeker dress code during participation in work experiences and other activities as required. _____
- I understand that placement into work or other activities will be based on a thorough assessment of my current skills, abilities, interests, aptitudes and personal circumstances as discussed with my Career Seekers advisor and I agree to participate in activities assigned to me during my membership and give them my best effort (even if I don't like some of them). _____
- I understand that my membership can be terminated immediately at any time for appropriate cause.
The following are examples of cause for termination.
 - Being late, poor attendance, missing appointments, not meeting the dress code
 - Poor work performance or not applying myself or participating fully in activities
 - Theft, lying, deceit
 - Refusal to cooperate with staff, worksite supervisors or other authorized persons
 - Smoking on site, drugs, weaponsMy membership can be terminated for other appropriate cause as determined by staff. _____
- I understand that Career Seekers will be highly publicized and that newspapers, magazines, television and other media might take pictures for promotional use and that I will receive no compensation for their use. I hereby give my permission for the use of any pictures taken. _____
- I agree to treat others (members, staff, supervisors and anyone else I come into contact with during participation) with respect and to resolve any personal situations in a mature manner. _____
- Throughout my participation I will strive to learn and grow, making the most of my time as a member of Career Seekers. _____
- I agree to keep in contact with the Career Seeker's advisors for one year after leaving the CS program to determine the long term results of my participation and to determine if the Career Seekers program can further assist me in achieving my long term goals. _____
