

ACT WorkKeys® for Paraprofessional Certification

About ACT WorkKeys

The ACT WorkKeys assessment system was developed by educational testing experts and proven effective within workforce development and the classroom. The assessments meet the Illinois State Board of Education requirements for Teacher Assistants; helping schools meet requirements federally mandated in the No Child Left Behind (NCLB) Act.

WorkKeys®

Paraprofessional Assessments

Requirements for State-Approved Paraprofessional through WorkKeys include the following three assessments:

1. **Reading for Information-4**, measures the skill individuals use when they read and use written text in order to do a job.
2. **Applied Mathematics-4**, measures the skill individuals use when they apply mathematical reasoning, critical thinking, and problem-solving techniques to work-related problems.
3. **Business Writing-3**, measures the skill individuals use when they write an original response to a work-related situation.
