

# Building Workers, Constructing Lives

Joliet Junior College, in partnership with the Workforce Investment Board of Will County and the Illinois Department of Commerce and Economic Opportunity, is offering the **Building Workers, Constructing Lives** program.

This new program will expand the number of people in historically underrepresented populations, such as females and minorities, who enter and complete building trades apprenticeship programs and achieve journey-level status within a union.

For more information, please contact Joliet Junior College at 815-280-1313 or email [pvanderh@jjc.edu](mailto:pvanderh@jjc.edu).
