

## **Career Services Worksheet: Creating an Updated Resume and Learning “What can I do with this major?”**

1. What is your current major, or if you have no major, what is a major you are interested in pursuing?
2. Visit the Career Services webpage and write down 3-5 occupations that you could apply for if you graduated with the major above.
3. Draft an updated resume which includes your work at the Academic Skills Center. Bring this draft to Career Services to be proofread and critiqued. Submit your completed resume to Stephanie Braun within one month of this training.
