JJC 05.14.10

Welcome to MyMathTest

Before you start:

- If you are working on a computer which does not have the plug-ins and players installed, you need to run the [Browser Check](#), otherwise you will not be able to view questions and multimedia content.
- View [How to Enter Answers](#) tours and tip sheets for information about entering math notation.

To test your knowledge of chapter content, [take a test](#). Then, go to the [study plan](#) to see which objectives you should focus on. You may also access the study plan without first taking a test.

(Monday, April 12)

Using My Math Test to Successfully Retake the JJC ACT Math COMPASS Test(s)

1. Click on "Take a Test." Take all three tests so that the computer can create your "Study Plan."
2. After completing all three tests, click on "Study Plan."
3. You may work on as many sample problems as you like, but pay special attention to those sample problems with pencils next to them.
4. Contact Academic Skills Center Manager, Stephanie Braun, with any questions at (815) 280-2824 or sbraun@jic.edu.
5. This free program is available to all JJC students; they just need to meet with Stephanie Braun to enroll.

This MyMathTest program is based on MyMathTest: Developmental Mathematics
