

# I-Share Catalog Changes

## Standardized 28 day loan period

Effective August of 2010, all borrowers in the I-Share system will be given a standard 28 day loan period. Borrowers may renew items up to three times. Each renewal will provide an additional 28 days from the current due date.

## My Account Login

You must create an account in I-Share to request items or view the My Account screen. The "Create Account" link is illustrated below.

Creating an account is a simple one-time process. Once you have created an account, you may log in to I-Share with the user name and password you selected when the account was created instead of your Library ID number. More information why accounts are necessary is available in the [VuFind Login FAQ](#). You may [create an account now](#) by following this link.

## Request First Available Copy

This option became available again on August 13, 2010. To request the first available copy of item, click on the "Request 1st Available" tab to the left of the Location tab. This is illustrated below. You may still request a specific copy of an item by clicking the "Request this item" link located directly under the information about each copy.
