

COUN-101: College Success

Fall 2018

ANY section of COUN-101 is recommended for students who place into COUN-101.

Students in one of the meta-major* areas below are encouraged to take a pathway-specific section if the time/location is convenient.

*See list on the back identifying major codes in each meta-major area.

Benefits of enrolling in a major-specific COUN-101 course include:

- Meeting students with similar interests and majors
- Valuable one-on-one time with instructors in your field
- Learning the study strategies and techniques needed to be successful in your field
- Individualized attention to help a large college feel smaller

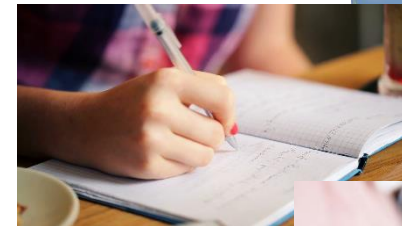

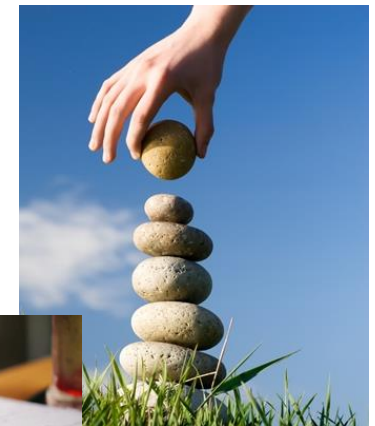

For questions or assistance registering for one of the pathway-specific COUN-101 courses, please call 815-280-2533 or email malstott@jjc.edu.
