Addendum No. 1

DATE: July 21, 2016

Joliet Junior College
1215 Houbolt Road
Joliet, IL 60431

TO:	Prospective Respondents
SUBJECT:	Addendum No. 1
PROJECT NAME:	Network Electronics for City Center Campus, Romeoville Expansion, and JJC Event Center
JJC PROJECT NO.:	B16027

This Addendum forms a part of the Bidding and Contract Documents and modifies the original bidding document as posted on the JJC website. Acknowledge receipt of this addendum as specified at the end of this document. FAILURE TO DO SO MAY SUBJECT BIDDER TO DISQUALIFICATION.

Questions Submitted:

1. In regards to the City center campus RFP; is JJC requesting FOB Origin or Destination. I didn't see which one you are requesting in the RFP.
   For bidding purposes, please quote FOB destination (1215 Houbolt Road, Joliet, IL 60431) as requested in the bid document. If the IT Department decides to have items shipped to various locations, they will work with the awarded bidder on additional costs/accommodations.

2. Can you please check with your IT team? For each area within your RFP (i.e. lines 25, 40, and 56) where the following part number is listed > LIC-CT8540-UPG I think you may also need to list the following part numbers and descriptions (and indicate quantities):

   LIC-CT8540-1A > Cisco 8540 Wireless Controller 1 AP Adder License
   LIC-CT8540-DTLS-K9 > Cisco 8540 Wireless Controller DTLS License
   CON-SNT-LICCT854 > SNTC-8x5xNBD Top Level SKU for 8540 AP Adder Licenses (12 months or 36 month as needed/appropriate)
   CON-SNT-LICCT85C > SNTC-8x5xNBD Cisco 8540 Wireless Controller 1 AP Adder (12 months or 36 month as needed/appropriate)

   I'm saying that because the top level part number is usually an indication that you will be 'adding' licenses to the existing wireless controllers. If you do not need to add licenses to the existing controllers, then that top level part number can be removed from your bid document.
   Please see the revised pricing sheet attached. Items 26-28, 44-46, and 63-65 have been added.
