

**Addendum No. 1**  
Page 1 of 2

**DATE: March 23, 2015**

Joliet Junior College  
1215 Houbolt Road  
Joliet, IL 60431

**TO:** Prospective Respondents  
**SUBJECT:** Addendum No. 1  
**PROJECT NAME:** New Student Orientation Online Software Platform  
**JJC PROJECT NO.:** R15004

This Addendum forms a part of the Bidding Documents and modifies the original bidding document as posted on the JJC website. ***Acknowledge receipt of this addendum as instructed on the last page.*** FAILURE TO DO SO MAY SUBJECT BIDDER TO DISQUALIFICATION.

---

**Questions Submitted:**

1. Is there a not to exceed (NTE) budget for this Online step-to-enrollment navigation tool solicitation?  
**Yes, \$50,000.00**
2. Is your operating systems windows based or Unix/Linux based?  
***If this refers to Colleague, we are unix based, IBM AIX to be specific. If this refers to the operating system we'd prefer for their system, it would be Windows.***
3. If your operating system is Windows based, do you have SQL server 2008 or above?  
**Yes**
4. Is there a preference for an on premise solution or would you prefer a hosted solution?  
***This is to be determined. Pricing will be accepted for both ways so we can determine the better fit for JJC. It really all depends on price/performance and the Total Cost of Ownership say over a 5 year period.***
5. I was wondering if you were looking for custom software catered to your specs or were looking to go with a system already in place (like orgsync or comevo for example).  
***We do not have a preference. We are looking for a product that meets our needs and is customizable. The priorities are a system that will speak to existing technologies, excellent tech support for students using the product as well as the staff using the product in development and ongoing.***
