Questions Submitted:

1. Going over the RFP you sent me, one section is labeled "Responses to Addendum" that I need to submit. I have not seen any addendums (or plans & specs, either). Is there a way I can access them?

This is the addendum. Please complete page 2 of this document to be included with your proposal. Plans and specifications have not been provided; the college is requesting hourly and individual testing rates.

2. What is meant by "Include documentation identifying all of the vendors' fees"?

This is meant to account for any additional costs that may be billed in the future (travel, mileage, per diem, communications, etc.)
