

OFFICE OF THE DEAN OF STUDENTS

Resident Contract of Behavioral Expectations

Statement of Expectations

All students enrolled at Joliet Junior College are expected to demonstrate qualities of integrity, honesty, civility and respect. These values are important to the learning and living environment and are expected to be exhibited in conduct of the entire college community, both in and out of the classroom setting.

All students are expected and required to read and comply with the Student Code of Conduct and the Academic Honor Code. Failure to read and know the behavior expectations will not be taken into consideration when determining your personal responsibility and sanctions. It is in your best interest both academically and financially to know specifically what standards with which you will have to comply.

The college has a **no-tolerance stand on acts of violence, threats of violence, and theft.** As a member of the college community and a student of Joliet Jr. College, we are notifying you that the consequences for being found responsible for acts of violence, threats of violence, and theft are a **college suspension for a minimum of one college semester.** For Centennial Commons residents, this also includes an **eviction from Centennial Commons housing.**

How can being suspended impact you as a student and Centennial Commons resident?

- Loss of all college credit for the semester in which you are enrolled.
- Financial responsibility for the courses in which you were enrolled (no refunds).
- Eviction from Centennial Commons housing.
- Loss of federal financial aid for the semester in which you were enrolled and personally responsible for course tuitions and full housing costs.
- If you are on federal financial aid and are suspended during the semester the JJC Financial Aid Office will be notified.
- All suspended students must apply for re-admissions through the Dean of Students Office.

Personal Identification

All students are required to carry photo identification on them at all times while on campus grounds and on property at Centennial Commons housing. **Please note: All students are required to present identification to any JJC police officer/community service officer, faculty, or staff member acting in their professional capacity.** Any student failing to provide photo identification is in violation of the Student Code of Conduct and will be referred to Dean of Students Office. **All Centennial Commons residents are required to carry the JJC Student ID on them at all times.**
