TEAS V Testing at the Joliet Junior College Academic Skills Center: Interpretation Guide

How can I retrieve my scores?

- After the test is completed, your results will be available within a few hours. You may access them on the “My Results” page found in your personal ATI student account online.

How often can I retest?

- It is recommended that you attempt the TEAS exam no more than one time per semester (Spring, Summer, and Fall).

Who should I speak with about whether I should retest?

- All programmatic and retesting questions should be directed to your program advisor. Below is a list of programmatic contact information for Nursing, Radiologic Technology, and Diagnostic Medical Sonography.

What is my next step?

- Upon completion of the TEAS test, make an appointment with your academic advisor immediately. Program advisor information is listed below. Your advisor will update your major code within your student record. Your financial aid eligibility may be impacted if you do not meet with your advisor.
