DISCOVER JJC

Saturday, March 2
9 a.m. to noon

jjc.edu

Welcome to DISCOVER JJC

We are glad you joined us today to learn more about Joliet Junior College. Whether you are coming to JJC with plans to transfer to a four-year college or wish to pursue a career upon completion of a certificate, JJC offers the programs and support services to help you reach your goals. We hope you enjoy meeting with faculty, learning about our academic programs and exploring scholarships and financial aid options that will help you pay for college. We are confident you will discover that JJC is the right choice for you.

About JJC

With a proud history as the nation's first public community college, Joliet Junior College is a leader in higher education. Offering more than 180 degree and certificate programs, the college serves more than 38,000 students of all ages and backgrounds at its six campuses, education centers and satellite locations. JJC encompasses a fast-growing, 1,442 square-mile district in seven counties.
