BOARD POLICIES

DIVISION II. College Employees	POLICY NUMBER 2.01.02 (2)
CATEGORY 2.01.02 Nepotism	DATE Adopted 10/01 Revised 3/10, 08/18

The employment of members of the same immediate family, of those who share a household or those with other types of personal relationships may create conflicts of interest or the perception of conflicts of interest. The college will use sound judgment in the placement of such employees in accordance with the following guidelines:

- Members of the same immediate family, same household, or those involved in a personal relationship (related parties) are permitted to work in the same college department, provided that no direct reporting or supervisor-to-subordinate relationship exists. That is, no individual should have decision-making or supervisory authority, or significant influence over the hiring, work responsibilities, salary, hours, career progress, benefits, or other terms and conditions of employment of a related party.
- Individuals who become a related party to a college employee while already employed at the college should promptly report that fact to each employee’s supervisor and Human Resources, and both employees will be treated in accordance with this policy. If in the opinion of the college administration that this relationship creates a conflict of interest one of the employees may be transferred at the earliest practicable time, or other arrangements shall be promptly implemented.
- If an applicant is otherwise qualified and might be selected for an available position but is a related party to an existing employee in the same department, the selecting authority should consult with Human Resources on the applicability of this policy.

Any exceptions to this policy must be approved in writing by the Executive Director, Human Resources or designee.

A person recommending, or considering the acceptance of, an appointment to a position that would lead to nepotism, as described herein exists, is to report the facts to Human Resources so that a determination may be made prior to the actual appointment.

Violations of this policy may result in disciplinary action up to and including termination of employment.
