3.02.02 **OUT-OF-DISTRICT RESIDENTS OF ILLINOIS**

A person who resides in Illinois but is not a resident of Illinois Community College District 525 as previously defined in 3.02.01 is considered an out-of-district student and will be assessed the appropriate tuition. Out-of-district students shall not be required to pay higher tuition than that required for in-district students, provided these students comply with existing community college laws relative to cooperative agreements, joint educational agreements, or chargebacks to sending districts.
