11.03.00 **ARMED OFFICERS**

Pursuant to 110 ILCS 805/3-42.1 of the Illinois Public Community College Act, it is the policy of the Board of Trustees (Board) to authorize State Certified Campus Police Officers who have successfully passed a pre-employment psychological exam and State firearms training for Law Enforcement Officers, to carry department approved firearms. These officers will also be authorized to carry, according to department policies, OC/Pepper Spray, expandable batons, Electronic Control Devices or other department approved auxiliary devices.

Officers will be required to follow all departmental regulations related to the use of firearms and all required reporting, as outlined in the department procedures and general orders. No Campus Police Officer issued a firearm by the College may have such firearm in his/her possession when employed or otherwise acting on behalf of any third party. Qualification for ongoing right-to-carry firearms will be repeated according to department regulations. Only those State Certified Sworn Officers will be allowed to possess and carry department-issued firearms.
