12.04.00 BLOODBORNE PATHOGENS

It is the policy of Joliet Junior College to conform with the standards regarding Bloodborne Pathogens as outlined in the Occupational Safety and Health Administration Bloodborne Pathogens standard [29 CFR 1910.1030] and all subsequent amendments.

The major intent of this regulation is to prevent the transmission of bloodborne diseases within potentially exposed workplace occupations.

Appropriate Institutional Procedures have been adopted and are available in the Environmental, Health & Safety Office to ensure continuous compliance.
