Federal regulations require Joliet Junior College (JJC) to only apply federal Title IV funds to certain allowable charges.

Federal Title IV funds include:

- Pell Grant
- Supplemental Educational Opportunity (SEOG) Grant
- Direct Subsidized/Unsubsidized Loan
- Direct Parent PLUS Loan

Allowable charges include the following:

- Tuition
- Mandatory Fees
- Board (cafeteria meal plan cards)
- JJC Bookstore purchases

If the total of federal Title IV funds exceed the total of allowable charges, JJC must return the excess funds to the student unless authorized to apply the excess amount of federal Title IV funds to cover non-allowable charges (i.e. library fines, parking fines, child care expenses, etc.). The following authorization form allows JJC to apply your excess funds to any non-allowable charges in a current award year and up to \$200 towards any prior year. If you choose not to authorize the use of Title IV funds for non-allowable charges, you are responsible for all charges as they are incurred.

I understand the following: this authorization is voluntary and will remain valid during my enrollment; I may rescind any of the above authorizations by completing a new form at the Office of Financial Aid; I am responsible for paying any outstanding debts to JJC if I choose not to authorize the use of Title IV funds for non-allowable charges.
