Statement # 2 Covers Requirements Ch. 7(2)(a)(b)

Campus buildings and facilities are open to the public during normal College business hours. Business hours vary per campus but in general are Monday – Friday 7 AM – 10 PM with varying hours on weekends. For all Board designated holidays, all campuses will be closed as well as on Friday – Sunday during the summer months when summer closings are in effect.

During any closing, access to Main Campus only, will be limited to pre-approved individuals or emergency entry which will be gained by contacting Campus Police through the intercom located at the G Building entrance or by calling 815-280-2234.

Main Campus is staffed by Campus Police 24/7. Other campuses are patrolled intermittently by Campus Police as well as by local police agencies. Some 600 security cameras both internal and external are located at all campuses and are monitored intermittently by Campus Police. Remote campuses are patrolled primarily by College Campus Safety Officers and intermittently by Campus Police officers. Burglar alarms are also in place at City Center, Romeoville, and Weitendorf sites.

Emergency related equipment including the PA system, fire extinguishers, AEDs, emergency phones and cameras are checked monthly or as needed to determine functionality and necessary repairs are made accordingly.

Centennial Commons Student Housing is a gated apartment complex for students only, located adjacent to main campus. The complex is owned by the JJC Foundation Housing LLC, not the College. The complex is patrolled primarily by JJC Campus Police who respond for calls for service also. Students are encouraged to report any criminal or other illegal activity to Campus Police at 815-280-2234 or via Joliet PD at 911 in case of emergencies. In addition to police patrols, Centennial Commons also hires off duty police officers to function as security personnel on site. Centennial is a gated community and students are provided keys and key fobs for vehicle owners to enter the property.

CAMPUS POLICE AUTHORITY:

Statement # 3 Covers Requirements Ch. 7(3)(a)(b)

The JJC Police Department draws its authority from the Illinois Public Community College Act – Illinois Compiled Statutes - Chapter 110 ILCS 805/3 -42.1 which states in part that the Community College Board has the authority "To appoint law enforcement officer and non-law enforcement officer members of the community college district police department or department of public safety.

Members of the community college district police department or department of public safety who are law enforcement officers, as defined in the Illinois Police Training Act, shall be peace officers under the laws of this State. As such, law enforcement officer members of these departments shall have all of the powers of police officers in cities and sheriffs in counties, including the power to make arrests on view or on warrants for violations of State statutes and to enforce county or city ordinances in all counties that lie within the community college district, when such is required for the protection of community college personnel, students, property, or interests. Such officers shall have no power to serve and execute civil process."

Campus Police also have the authority to utilize the Student Code of Conduct or College Regulations in lieu of or in addition to, the criminal process, to resolve legal or college policy violations.

The prosecution of all criminal offenses, both felony and misdemeanor, are conducted in the Circuit Court of Will County.

Campus Police personnel work closely with local, state, and federal police agencies and have officers assigned to the Joliet PD Special Operations Squad and the ILEAS Region 3 Mobile Field Force. Additionally through an informal agreement with Joliet Police Department, JJC Police handle all police response and patrol of the Centennial Commons Student Housing Complex. This complex is located adjacent to campus and is not owned by the College but this arrangement is in the best interests of the JJC students residing there and the College.

In addition to sworn Police Officers, JJC campuses are staffed with non-sworn Campus Safety Officers. These officers are trained in multiple security related areas including emergency response and use of force and they operate in a support role for the sworn officers. Additionally, JJCPD has several Student Workers who assist students and staff and patrol the Main Campus. JJCPD also operates a 24/7 Dispatch Center to respond to phone, radio and walk up complaints and calls for service.

CONFIDENTIAL REPORTING OF CRIMES (LIMITED):

Statement # 12 Covers Requirements Ch. 7(3)(d)

JJC does not specifically allow for confidential reporting of crimes, however, there are reporting methods that will minimize and in some cases eliminate the possibility that your information might become public.

If you are the victim of a crime and do not want to pursue action through the criminal justice system, you may still want to consider one of the following reporting options:

1) Report to Campus Police or Dean of Students with the option of utilizing the Student Code of Conduct process. Code information is available at: <http://www.jjc.edu/student-resources/office-student-rights-responsibilities>

2) Report to Campus Police, Dean of Students or Counseling to make a report. In these cases, your report will remain confidential within the College system to the extent permitted by law. These reports will allow JJC to help insure your safety and the safety of other students or staff based on the information you provide. With such information, the College can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to particular locations, methods, or assailants, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

If you are the victim of a crime and wish to remain anonymous or you have information on a crime that occurred or may occur, you may utilize any of the following reporting options. In all of these reporting options it is not necessary to provide your name to make a report.

3) Silent Witness Program available on the JJCPD Website at: <http://jjc.edu/about/operational/campus-police/Pages/silent-witness.aspx>

4) Will County Crime Stoppers [Crime Stoppers of Will County](http://www.willcountyil.gov/crimestoppers)

5) Maxient Incident Reporting Form on the Dean of Student's Web Site <https://publicdocs.maxient.com/incidentreport.php?JolietJuniorCollege>

"A person who initially consents to sexual penetration or sexual conduct is

Not deemed to have consented to any sexual penetration or sexual conduct that occurs after he or she withdraws consent during the course of that sexual penetration or sexual conduct." 720 ILCS 5/11-1.70(c).

Bystander Intervention and Risk Reduction: Strategies in incidents of Dating & Domestic Violence, Sexual Assault & Stalking, that do not put the individual at risk, are encouraged. Students and staff are encouraged to recognize signs of potential incidents and to take steps to diffuse or protect the victim. This could include staying with an at risk intoxicated subject, having a group of students step in to speak to a potential offender etc. Free Bystander / Risk Reduction Training is available at the Holistic Wellness portal site at:

<http://www.jjc.edu/campus-life/student-wellness>

Campus Police also offer free RAD/SAFE female self-defense classes. Scheduled sessions are listed on the Holistic Wellness portal or can be obtained by calling Campus Police at 815-280-2234.

Confidentiality:

Any reports filed will be treated confidentially to the degree permitted by law. Personally identifiable information will not be included in the Daily Crime Log or ASR or any other publicly released source unless required for criminal prosecution.

In cases handled through the Student Code or Human Resources, the same level of confidentiality will apply. Personal information of victims will only be disclosed to those who are directly involved in any investigatory, disciplinary or accommodation processes. It will be the responsibility of the Chief of Police, Dean of Students, Title IX Coordinator /Deputy Coordinators or Executive Director of Human Resources or their designees to assure that this policy is followed in cases handled in their particular areas.

Resources & Rights:

Joliet Junior College has available internal counseling for students and Employee Assistance Program resources for employees. Additionally, there are numerous external resources available for victims. Please see the section above on *"Preventing and Responding to Sex Offenses"* for a complete list of free resources.

Students or employees making reports will be provided with a written list of rights and options as to how to proceed. This will include victims reporting incidents that may have occurred off campus. For a complete list of rights please refer to the *"Preventing and Responding to Sex Offenses"* section above.

Accommodations & Protective Measures:

A list of victim's rights are also included in the comprehensive policy and in the *"Preventing and Responding to Sex Offenses"* section above. These include the availability of reasonable academic, living, transportation or work accommodations for the protection of the victim, regardless of the reporting option chosen by the victim.

Investigation and Discipline:

Investigations into allegations made, will be conducted promptly, fairly and impartially throughout the entire process. Rights of the accuser and the accused will be strictly respected, including the right to have an advisor or witnesses present at all stages of the hearing. Those conducting the investigations will receive annual training regarding the investigation process and the crimes/violations.

If the investigation into an allegation results in a finding against the offender, a variety of disciplinary or criminal sanction may be imposed. If the offender is a student, sanctions can include warnings, counseling, probation, suspension or expulsion. For employees, disciplinary action can include warnings, written or verbal reprimands or termination. Additionally criminal penalties include supervision, probation and incarceration may be imposed if the case is pursued in the State Criminal Court process.

Both the accuser and the accused will be notified simultaneously of the outcome of any hearing, as well as the College's appeal process.

Level of Proof:

In cases referred through the Student Code, Title IX or Human Resources, the standard of proof required, is a "Preponderance of the Evidence". This means that it must be more likely than not (51%) that the offense occurred and the accused committed it. In the criminal proceedings, the standard of proof is "beyond a reasonable doubt."

SEX OFFENSES (PREVENTION AND RESPONSE):

Statement # 13 Cover Requirements Ch. 8(c)

If you are a victim of a sexual assault at Joliet Junior College, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The Joliet Junior College Police Department strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to the Joliet Junior College Police Department at 815-280-2234 or in person in room G1013. Reports may also be made at the Joliet Junior College Counseling Department or the Dean of Students. Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental options from officers. Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam);
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual crisis intervention.
- The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system by Campus or Local Police and/or the Joliet Junior College Student Code of Conduct, or not pursued at all.
- Campus Police will assist in obtaining a Civil No Contact Order in cases where there is no prior relationship between the victim and offender and Orders of Protection in cases where a prior or current relationship exists.

Joliet Junior College offers the following primary preventive and awareness programs:

- "Not Anymore" training module directed at all students and staff.
- Bystander Intervention training module available on the Holistic Wellness portal at <http://www.jjc.edu/campus-life/student-wellness>
- RAD/SAFE female self-defense classes available free of charge through Holistic Wellness or Campus Police.
- Clery CSA and Title IX Responsible Employee training is mandated for all identified employee groups. Training is available on the Human Resources Portal under the "Safe Colleges" training module tab.
- New student and Centennial Commons Housing orientations have presentations regarding sexual responsibility.

College Procedure #2.01.01.01 - Prohibition of Sexual Discrimination, Harassment and Misconduct; serves as the Colleges Comprehensive Sexual Assault & Misconduct procedure and is available at: <http://www.jjc.edu/title-ix>

Rights of a Student Victim of Sexual Discrimination, Harassment, and Misconduct

The rights listed in this form, comply with the requirements of Title IX, the Illinois Prevention of Sexual Violence in Higher Education Act (110 ILCS/155) and the Illinois Board of Higher Education Act.

Students who have been victims of and/or complainants of sexual discrimination, harassment or misconduct will receive an explanation of their rights in writing. These rights include, but are not limited to, the following:

- To be contacted within 12 hours of the filing of a complaint.
- To make a report to a Confidential Advisor. (see Resources below)
- To have the report promptly investigated, responded to and resolved, by campus officials within 60 days of the initial report. This does not apply to the on-going criminal investigation.

Fire Safety Systems

Buildings 1 through 6 are equipped with the following fire safety systems:

Central Integrated Fire Alarm System: all residential buildings are connected to the central fire alarm system. Activation of any sprinkler head, smoke detector or pull station results in activation of the horns and strobes for that building and direct notification to the Joliet Fire Department. An alarm also sounds in the Management office area of the Clubhouse.

Automatic Fire Sprinkler System: sprinkler heads located in each bedroom and common area. The Clubhouse is equipped with three fire extinguishers as opposed to sprinklers.

Smoke Detectors: located in each bedroom and common area. These detectors are hard wired and have battery backups in case of a power failure. Detectors are tested and batteries replaced by management at the start of each annual lease and one additional time during year. The smoke detector will beep when the battery needs replacing. Residents are encouraged to test detectors throughout the year and report any malfunctioning or inoperable smoke detector(s) to the Centennial Commons office.

Horns & Strobes: located in the exterior breezeways on each residential floor as well as in each handicapped accessible apartment located in Buildings 1 and 2.

Fire Walls: are in place between floors

Pull Stations: fire pull stations are located on the exterior breezeways on each residential floor.

Polices on Smoking, Portable Electric Appliances and Open Flames

- Centennial Commons is a "Smoke Free" facility. Smoking of any type is prohibited in all living areas as well as all exterior and common areas of the property. This policy is stated in the residential lease signed by all residents.
- Open flames and flammable materials including candles, incense, and gasoline are strictly prohibited. Additionally, barbecue grills, halogen lamps, "octopus" outlets and combustible holiday decorations are prohibited by lease.
- Portable space heaters are prohibited. Other portable devices are addressed by management on a case by case basis.

Fire Inspection: Centennial Commons receives an annual inspection by the Joliet Neighborhood Services Department and by the Joliet Fire Department.

Fire Safety Procedures and Training for Residents:

All residents are instructed through their lease addendum on the following:

- immediate evacuation when alarms sound,
- emergency call numbers,
- notification of fires to management,
- smoke detector monthly tests and malfunction reporting,
- Penalties for damage to any fire system including pull stations, detectors and sprinklers include a fine up to \$100, referral to the Student Code, Criminal prosecution and termination of the lease.

Fire safety guides are posted in each apartment and evacuation maps are posted in the Clubhouse.

Reporting of Fires:

In the event of a fire, residents should immediately:

- evacuate the apartment - do not worry about gathering belongings
- activate the nearest pull station and call 911 to report the fire
- notify other residents if possible
- move away from the building
- do not block access to the fire area for responders
- notify management* in person or at 815-730-1020 *General Manager or Resident Life Coordinator

In the event of minor fires even if the fire department is not contacted, you are required to notify the Centennial General Manager or Residence Life Coordinator and/or Campus Police so that accurate fire statistics can be gathered.

Plans for the Future:

- First annual Fire Drill is scheduled for October 16, 2017 at 2 PM.
- Last year's plan called for the development of a fire safety booklet for residents. That booklet was developed and distributed to all residents in September 2017. Additional booklets have been provided to management for inclusion in the move in packets, in the future.
