Questions Received:

1. In the pre-bid meeting, it was mentioned that Zone J was a new area and that volunteer crews were clearing the invasive brush from that Zone. I noticed that there were a couple of areas in Zone J that has not yet been cleared. Is it anticipated that the volunteer crews will have these areas cleared by the time the contract starts?

The volunteer crews will have one (1) more workday before July 1st so more area in Zone J will be cleared. Whatever area in Zone J is cleared by July 1st will be the area to be maintained during this contract. Any areas cleared after July 1st will be included in the next three (3) year contract.
