The RFP requests a "Unit Cost" for pricing. Is JJC looking for a per participant cost for each student enrolled in addition to the tuition of \$3,995? Should the cost proposal be inclusive of the \$3,995 or a listed as a separate cost the outsource provider would charge the college?

Response from:

Janice, Joliet Junior College (Jreedus@jjc.edu), 09/06/2019 04:16 PM CT

We are asking for a per person price that the training partner needs to charge JJC to cover their business expenses.
