\*This transfer guides is a sample curriculum. Additional courses may be required based on placement test scores. Please work with your faculty advisor or success coach prior to course registration.

\*\*Courses are to be chosen in consultation with an academic advisor. Only 70 semester hours from a Community College will apply toward 120 semester hours required for graduation.

## **About ISU Studio Art Ceramics Program:**

The Wonsook Kim School of Art offers a comprehensive list of sequence options for a student interested in Studio Arts. The following are offered as areas of specialization: Ceramics, Drawing, Expanded Media, Glass, Printmaking, Painting, Photography, Sculpture, Video, and Wood / Metal Design. Following a first year foundations curriculum, students can choose a sequence within an individual studio. Within each sequence, faculty are actively engaged in introducing students to various technical skills and ideas specific to that discipline. The cohesive sequencing of courses within each studio

## **About JJC's Program:**

This program will prepare students to create a portfolio allowing them to transfer to a four year university art program. We have fully equipped studios in painting, design, ceramics, metals, interior design and graphic design. Our small student-to-teacher ratio in the studio courses offers hands on learning opportunities from our faculty of professional artists sharing their craft with students. We have a state of the art 2,055 sq. foot gallery, where there are visiting artist exhibitions as well as the opportunity for visual art students to exhibit their work. We offer work study opportunities for visual art students
