Emphasis Area	Select 9-11 credits from Choral/General Emphasis and Instrumental Emphasis (consult an advisor)**

Total SIU College Credits: 64*

Total Degree Credits: 136*

Note: All students who plan to major in Music will first be admitted as Pre-Music students provided they meet the University's admission policy. Incoming freshmen and transfer students are required to audition in person or by recording prior to admittance to the desired specialty in music. Following a successful audition, students will be granted the status of music major and be allowed to register for classes in the desired specialty. Criteria used for admission to the School of Music may be above and beyond the University standards for general admission. For more information, please contact the School of Music at 618-536-8742.

*This transfer guide is a sample curriculum. Additional courses may be required based on placement test scores. Please work with your faculty advisor or success coach prior to course registration.

**Courses are to be chosen in consultation with an academic advisor.

About SIU's Program:

The School of Music covers the musical spectrum, from symphony to solo, theory to composition, with our students adding their own individual hues. Our faculty members are instrumentalists, vocalists, performers and composers. So we understand the individual passion that brings a student to the study of music. That's why you'll find so many different degrees and concentrations available to you, even as an undergraduate. It's our mission to provide access and opportunities for a multi-dimensional array of creative expression within our field.

About JJC's Program:

Joliet Junior College has one of the premier two-year music programs in the country, and is an accredited community college member of the National Association of Schools of Music (NASM). This outstanding music program attracts students from around the district. We are one of a select few two-year colleges in the country who have attained this level of accreditation. What does this mean for you as a student? It assures a high quality curriculum that equates with four-year schools as they are members of NASM and have the same high standards. This also helps our students successfully transfer after their two years here. We offer a full music program with Theory, Aural Skills, Music History, Applied Lessons, and Ensembles. Students at JJC are able to participate in Concert Band, Jazz Band, Jazz Combo, Percussion Ensemble, Guitar Ensemble, and in two Choirs.
