WILL YOUR COURSES TRANSFER?

Benedictine University is a part of the Illinois Articulation Initiative (IAI), which means some of your courses automatically qualify for in-state transfer.

We make it easy for you to see which of your courses will transfer over to BenU! Visit ben.edu/transfercredit to learn more about Transferology and the Transfer Evaluation System (TES). Transferology and TES are 24/7 self-service systems you can use to determine unofficial transfer credit course equivalencies between Benedictine University, community colleges and four-year institutions across the nation.

EVENTS

We offer a variety of enrollment events throughout the year that cater specifically to transfer students, admitted students and those who just want to learn a little more about BenU.
