

STEPS TO TRANSFER

STEP 1: 0-15 CREDITS

STEP 2: 16-30 CREDITS

▶ Meet with the Student Advising Center to explore educational pathways and develop an academic plan.	▶ Commit to a major field of study.
▶ If you are undecided on a career meet with Career Services to explore majors and careers.	▶ Check the Transfer Event schedule. Visit with representatives of visiting college and universities to learn more about their programs and admission requirements.
▶ Research transfer schools by using transfer resources to look over articulation agreements and other transfer information. Take general education courses and pursue an associate degree.	▶ Narrow down choice of transfer schools and visit their websites to learn about transfer requirements.
▶ Schedule a Transfer Exploration Session. The session will show how to shop for schools and provide information on in-state versus out-of-state transfer. In addition, it will give information on JJC transfer partnerships, transfer events, resources and technology. Contact the Student Advising Center.	▶ Once you have decided on a transfer school meet with your Faculty Advisor to make appropriate selections of general education courses to fulfill the requirements of the transfer school.
▶ Attend the JJC Annual College Fair.	▶ Create a Transferology account to track how your JJC courses will transfer to your transfer schools (schools must participate in Transferology).
▶ Work on your GPA! Colleges and Universities may admit students with a 2.0 GPA, many require a 3.0 GPA or higher.	▶ Consult regularly with college representatives from your top transfer schools to keep track of application and scholarship deadlines.

STEP 3: 31-45 CREDITS

STEP 4: 46-64 CREDITS

▶ Apply to chosen transfer schools. Send admission application and all supporting documents (i.e. JJC transcript, essay, letter of recommendation, or references).	▶ Review all acceptance letters and scholarships.
▶ Update FAFSA to include schools that are receiving your application.	▶ Decide what transfer school you will attend.
▶ Explore student housing and financial aid at transfer schools.	▶ Request your official JJC transcript to be sent to your chosen school after final grades post.
▶ Apply for scholarships.	▶ Schedule your transfer orientation and advising appointment with your transfer school.
▶ Arrange for program review. Once completed, petition for graduation.	▶ Graduate from JJC.
