

Eastern Illinois University has a rich tradition of preparing students to accomplish their life goals through a great combination of quality academics and personal relationships.

Consistently ranked in the top third of Midwest universities in its class by U.S. News and World Report, Eastern has earned its reputation by offering a wide variety of undergraduate and graduate programs taught by an experienced and caring faculty. In addition to reasonable tuition, fees, and room and board rates, Eastern offers a textbook rental system, saving the average student hundreds of dollars per semester.

Eastern prepares more undergraduates who go on to earn doctoral degrees than any other master's college/university in Illinois, according to a recent National Science Foundation survey. In addition to ranking first in the state, EIU ranks in the top 5 percent nationwide. Our alumni satisfaction rate is 98 percent after one year from graduation and 99 percent after nine years from graduation.
