

NATIONAL LOUIS UNIVERSITY

Direct to Success Program (D2S)

Take advantage of National Louis University's Direct to Success Program. D2S provides students support, programs, services, and affordable tuition to complete a bachelor's degree and accelerate toward career success.

Benefits of D2S:

- 1. Generous Credit Transfer and Seamless Transfer Experience** - A dedicated Community College Success Team advises students through completion of their associate degree allowing for successful transfer of credit that aligns with the Illinois Articulation Initiative (IAI). Advising services are provided through graduation at NLU.
- 2. Convenient, Predictable Schedule** - NLU's full-time academic course sequence enables students to graduate within two years. Scheduling is tailored to working adults and blends on-line and on campus courses.
- 3. Career Acceleration** - Student received a dedicated Career Advisor and the opportunity to participate in the Braven Career Accelerator, a best-in-class career development program.
- 4. Support to Succeed** - NLU provides smaller class sizes that are taught by expert faculty. Students receive support through a co-curricular third year experience that ensures a smooth transition into NLU. The Transfer Student Support Center provides academic and wrap around services for students with any schedule.
- 5. Inclusive Community** - NLU is a diverse and transfer-friendly school dedicated to social and racial equity.
