New Transfer Guides and Agreements

Elmhurst College: Dual Enrollment and Guaranteed Admission

This agreement allows students to get started on their bachelors degree at Elmhurst College while still enrolled at JJC. This option offers students savings on tuition - participants in this agreement will get the JJC tuition rate for all Elmhurst College courses during the concurrent enrollment period.

North Central College: Guaranteed Admission Agreement

The goal of the Guaranteed Admission Agreement is to create a seamless and successful transition for transfer students intending to complete their Bachelor's degree at North Central College. Students indicate their intention to participate in the program by filling out a participation form one year in advance of the first semester at North Central College.

Please visit our website for a list of articulation agreements. The page is consistently updated with agreements as they are approved: www.jjc.edu/university-partners
