

**Prior Institutions & Military Transcripts**

The Department of Veterans Affairs requires Joliet Junior College to evaluate all prior credit for students utilizing GI Bill. Transcripts from all other institutions and /or Military Transcripts must be submitted to the JJC Academic Credentials Office. Failure to do so may result in suspension of GI Bill benefits until official transcripts are received. Should you receive credit for a course you are currently certified for, VA will be notified and you may incur a debt.

**Please note that attending a previous institution prior to utilizing veterans educational benefits does not negate the regulation that official transcripts must still be sent to JJC for review.**
